Professional Profile

Motivated young professional with an exemplary academic record and passion to progress with the programming/IT industry

A Final year Computer Science student, having achieved excellent grades at GSCE level Maths, English and science, along with an active involvement in a number of clubs and societies, I am keen to pursue a career in the IT industry. I have proven aptitude for mathematics and have made several notable achievements in both my studies and extra-curricular activities, which would make me excellent asset to any team/department. My part time roles and volunteer work have also provided me with a range of workplace skills such as relationship building, communication and teamwork.

Core Skills & Achievements

- Grades:
  - 94% Matric Mathematics final mark
  - 82% Physics final Mark
- Mathematics Aptitude
- Certificate of First Class – Basic Computer Organisation (2020)
- Customer facing experience
- Certificate of First Class – Information Systems (2020)

- Communication
- Leadership qualities:
  - First team Vice-Captain for Basketball
  - Second team Soccer Captain
- Academic Full Colours

Education

- *High school 2018*

- Maths, Science, LO - **A**
- Information Technology, EGD, English, Zulu **– B**

Clubs & Memberships

- Lead tutor of afterschool maths club
- Vice-Captain of boys basketball team
- Second team Boys Hockey

BSc in Computer Science
Courses include
- Computer Networks II
- Mobile Computing
- Database Fundamental II

Expected Graduation Jan 2022

- Calculus and Algebra I
- Computational and Applied Mathematics II

Work Experience

Dec 2017 – January 2018   *Cafenaited Coffee Shop*
